

# Adjective

Adjectives help us to describe things which we can see, hear, smell or feel.

Adjectives can describe many things.

- **People** – big, small, tall, short, pale, healthy.
- **Animals** – scary, furry, soft, small, fast
- **Places** – dark, crowded, nice, beautiful, sandy.
- **Feelings** – happy, upset, angry, tired.
- **Things** – sharp, blunt, bright, plain, wide.
