

### **Longer Writing task**

Many Parents believe their children are not taking up enough extracurricular activities in school or out of school; they want their children to actively participate in clubs such as, sports, arts, reading, writing etc. but feel children are not motivated and need someone to advise them to take up such activities to improve their skills.

**Write a letter aimed at students advising them about the advantages of being involved in extracurricular activities and how it will improve their skills.**

[illegible]

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There is no text or other markings on the paper.
