

Creative Sentences

Q. Write detailed sentences using the following words which specifically represent order or time.

Example: *Animal research is a controversial topic and has been for many years, particularly since the exploitation of animals for medical and psychological research. Many people believe it is completely unacceptable while others think it is necessary for the advancement of medicine. Perhaps, it is reasonable to say the latter is a popular opinion.*

a. former: _____

b. latter: _____

c. recently _____

d. previous: _____

e. currently: _____

f. subsequently: _____
