

## **JUMBO - THE LITTLE ELEPHANT**

Once upon a time a baby elephant named Jumbo used to live in a forest. He always used to dream that one day he would be able to swim. His mother tried hopelessly to make him believe that he is very heavy in weight and that's why he could not swim. But he never listened.

He would reach by the river and happily look at his glance in it.

One day when Jumbo was fast asleep after playing, all the colourful fishes in his dream arrived and entered his mouth and making exit from his ears. They were playing and making fun of Jumbo. When Jumbo woke up he realised that he made a big mistake by making friendship with them.

He cried but nobody came for his help. At last his mother woke him up from his dream. Seeing his mother in front of him, Jumbo cried inconsolably and promised that he would never ever think of swimming in future. That made his mother happy and she served him hot delicious food.

## Questions
