

# **Connectives**

Connectives are joining words. They help join a sentence together and make it more detailed.

Example: My friend likes cooking but is not a very good cook.

**Look at the sentences below. Write out the sentences and circle the connectives.**

- I like candy but it is not good for my health.

---

---

- I like to go swimming however I think running is easier.

---

---

- Linda likes to go to school because the teachers teach her a lot of different subjects.

---

---

- They wanted to visit Rome instead of going to France.

---

---

- She loved horror movies despite the fact that they are scary.

---

---

- Her mum told her 'You cannot go home unless you do all your homework,'.

---

---

- I love going to the gym whereas my friend Tom likes staying at home to play.

---

---

- I went to the shop with my friend and my mum.

---

---

- I like swimming on Sundays but sometimes the weather is horrible.

---

---

- I saw lots of colours such as pink chairs and yellow tables.

---

---
